Combining history and charm with the modern day requirements of the business world

For over 350 years, The Shibden Mill Inn has been at the heart of life in the Shibden Valley. A charming property, with a reputation for warm hospitality that extends far beyond the Yorkshire borders.

A sensitive refurbishment by owners, Simon and Caitlin Heaton, has delivered the inn to 4 Star status, which rightly attracts clientele from far and wide. It now presents a fabulous venue for corporate functions, meetings and conferences, with a range of packages to suit the smallest and largest of events. Eleven individually styled guest rooms provide luxurious over-night accommodation and the critically acclaimed restaurant, the perfect setting to entertain, or simply socialise at the bar.

Attentive staff will cater for your individual requirements throughout your stay with us and in our experience, the inn's peaceful setting adds a unique ingredient to make your reason for coming here a true success.

Please feel free to get in touch and talk through what you might be planning. We'd be happy to help in anyway we can.
